## State of Wisconsin Department of Corrections

---

October 16, 2017

Sheriff Scott Knutson  
St. Croix County Sheriff's Department  
1101 Carmichael Rd.  
Hudson, WI 54016

### **Re: Annual Jail Inspection**

Dear Sheriff Knutson:

On July 25, 2017, the annual inspection of the St. Croix County Jail was conducted pursuant to WI Statute 301.37(3). The inspection compared the facility and its operation to applicable state statutes and Department of Corrections Administrative Code Chapter DOC 350. This report summarizes my findings, including the progress made following the 2016 inspection, any statute or administrative code violations, physical plant and maintenance issues, and an overall summary of facility operations. The inspection worksheet is attached to this report and includes detailed inspection results.

On the day of inspection there were 103 inmates incarcerated in the facility.

### **Progress following the 2016 Inspection**

- On March 13, 2017, the Day Report Center was opened, and two new staff were added to operate this.
- The St. Croix County Jail received a grant for Crisis Intervention Training. One 40 hour training session was completed in January and another will be scheduled in September.
- [REDACTED]
- A new stand and sit work station was added to the booking area.

### **Summary of Jail Operations**

I met with administrative, security, healthcare, and foodservice staff to conduct the annual inspection. The site visit included a review of facility records and documentation as well as a walkthrough of the detention areas. The attached checklist details my findings as they relate to the Department of Corrections Administrative Code Chapter DOC 350 and applicable State Statutes.

In summary, the overall appearance of the jail was in satisfactory condition. It is apparent that both staff and inmates are held accountable for the cleanliness of the facility. After a walkthrough of the detention areas, there were no repetitive complaints from inmates regarding conditions of confinement or staff supervision. The staff is to be commended for the overall positive climate and their observed professional interaction with inmates.

### **Violations:**

*The following violations were documented during this inspection:*

- There were no violations found during the inspection process.

### **Miscellaneous issues**

*The following list summarizes observed areas of concern:*

- DOC 350.12 (15) – On the day of inspection, it was reported that the property storage bags are not being sanitized before each use.
- DOC 350.11 (5) – On the day of inspection, there appeared to be mold on the caulk behind the dishwasher. This was reported to staff and it was addressed with maintenance the same day.
- DOC 350.14 (6) – No documentation was provided that showed all officers receive annual training on health care policies and procedures, medications, and health screening at the time of admission. It is recommended that all training be documented.
- DOC 350.17 (11) – No documentation was provided to show staff received two hours of annual training regarding suicide prevention and identification of risk factors. It is recommended that this training be documented when completed.
- DOC 350.19 (4) – On the day of inspection, it was reported that staff are trained in fire safety evacuations, but no documentation was provided to show all jail staff were trained in the last 12 months. It is recommended that all training be documented.

### **Department Expectations following the 2017 Inspection include:**

- Continue to maintain your inmate population at a manageable level.
- Address areas of concern as noted.
- Document all trainings when completed.
- When you complete your annual kitchen inspection, please send the inspection document to my office.
- Please continue to reach out to my office when questions or concern arise.

### **Approval**

The St. Croix County Jail is approved by the Department of Corrections for the secure detention of adult offenders with the maximum capacity of 168. This approval is contingent on the continued compliance with all applicable state statutes and administrative codes.

I wish to thank Captain Dan VanSomeren and his entire staff for the gratitude, effort and professionalism they showed me during this inspection process.

If you have any questions regarding the inspection results summarized in this letter and found in the attached inspection worksheet or if I may be of any assistance regarding correctional matters, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad Hoover", with a long horizontal flourish extending to the right.
